

HALT STEPS FOR A COMPROMISE ON PEACE TREATY

Outlook for an Early Settlement are Un-promising

HOLD MANY CONFERENCES

WASHINGTON, Jan. 24.—Compromise negotiations in the Senate on the peace treaty were halted temporarily today while Republican senators took stock of the situation caused by the protest against further compromise made yesterday to Senator Lodge by Senators Johnson of California, Borah of Idaho, and other Republicans.

To give opportunity for the Republican senators' conference, Senator Lodge cancelled the meeting of the bi-partisan conference of Republican and Democratic leaders considering compromise reservations. Another meeting of the conciliation committee was called for Monday, however, and meantime informal conferences on both sides were planned.

DAMAGE SUIT IN FEDERAL COURT

Scott County Resident Alleged Damage to Land From Rail-road Bridge—Local Attorneys Appeared for Defense.

Numerous consultations between members of all senate factions were held today and leaders generally agreed that the outlook for an early settlement was un-promising. It was conceded in all quarters that the protests by Senators Johnson and Borah had made future negotiations more difficult. Senator Lodge conferred today with the other three members of the Republican committee and prepared an answer to Democratic proposals for coming over the reservations to article ten of the league of nations covenant and that regarding equality of voting in the league. This answer will be transmitted to Senator Hitchcock of Nebraska and his associates on the Democratic committee Monday. It was intimated that the Republicans would agree only to changes in language of the two major reservations and would not yield any of the principles involved.

Besides the conferences of the Republican leaders today the mild reservation Republicans and also a number of Democrats consulted separately and with each other. The "mild reservationists" were soundly out by Senator Hitchcock and other Democratic leaders, and it was stated gave assurance that if the opposition from Senators Johnson, Borah and their adherents to further compromise blocked the constitution movement, some of the mild reservationists were "prepared to treat with the Democrats independently in an effort to bring about ratification."

Both Republican and Democratic leaders agreed today that the situation was developing where the warfare soon might break out on the senate floor despite Democratic hopes that the treaty would not be made a "foot-ball" in the senate until a set of compromise reservations could be agreed upon. Today the treaty controversy dropped out briefly in the senate. Senator Reed, Democratic, Missouri, an exponent of the treaty criticised the bi-partisan negotiations declaring they were being conducted in secret by self-appointed committees having no authority to act.

"They are not discussing principles," said Mr. Reed, "but how changes in the reservations can be made which will catch some votes."

Senator Reed also commended William J. Bryan for his position against ratification of the treaty without change in article ten of the league covenant and for opposing assumption of mandates by America.

"Mr. Bryan has done one or two things lately," said the Missouri senator, "with which I am greatly pleased. He said article ten of the league would not do. That statement would cover a multitude of sins. Thus Mr. Bryan condemns an important part of the document we are asked to ratify."

Commending Mr. Bryan's opposition to mandates, Senator Reed said the "mandatory" was a popular name for conquest.

WHY HOLD PUBLIC SALE
Herny F. Smith will hold a public sale at the Hall farm a mile and a half southwest of Jacksonville and aquarter of a mile east of Diamond Grove cemetery, Thursday, Jan. 29. The sale will begin at 10:30 a.m., and Mr. Smith will offer 5 head of horses and mules, together with a number of high grade cows, mostly of Shorthorn stock.

Some steers and heifers will also be sold, together with Durco brood sows, a registered Durco boar and 70 Durco shotes. The state's normal birth rate has been reduced by 36,000 since January 1, 1918 because of the war and the resultant high cost of living. Dr. H. H. Biggs, state commissioner of health stated today.

NEW YORK BIRTH RATE REDUCED
New York, Jan. 24.—New York's state's normal birth rate has been reduced by 36,000 since January 1, 1918 because of the war and the resultant high cost of living. Dr. H. H. Biggs, state commissioner of health stated today.

This series of addresses by men who have a right to speak to men and women will command itself to the thinking people of Jacksonville.

MISS COALE VISITS HERE
Miss Martha Coale, former anti-tuberculosis nurse in Jacksonville, is here for a few days visit at the home of Mrs. Ellen Merrill on Westminster street. Miss Coale is now engaged in public health work in Louisiana and is returning there after a visit of several weeks at her home in the State of Virginia.

REPORT BIG DECREASE IN INFLUENZA

CHICAGO, Jan. 24.—Influenza and pneumonia cases decreased today in Chicago as compared with the number reported Friday and tonight Health Commissioner John Dill Robertson declared the situation was encouraging.

Influenza cases reported today numbered 1,508, a decrease of 422 over the number reported Friday, altho deaths numbered 51 three more than yesterday. Of pneumonia 307 new cases developed, a decrease of 14 over yesterday. Deaths from this cause today numbered 46, a decrease of seven over the previous twenty-four hours.

To relieve the shortage of nurses Dr. Robertson appealed today to Governor Lowden for a modification of the rules governing the entrance of student nurses into hospitals. The epidemic has made heavy inroads on the employees of many Chicago business houses, and the fire and police departments have lost ten percent of their effectiveness thru illness. Service by the Chicago Telephone company has been hit hard by the disease with nearly 2,000 operators on the sick list.

DISPUTE OVER STATE TROOPS

Scott County Resident Alleged Damage to Land From Rail-road Bridge—Local Attorneys Appeared for Defense.

The suit of Orien A. Woodson against Director General Hines and the Wabash railroad has been in progress in the federal court at Springfield the most of the past week. The complainant, who is a resident of Scott county, owns a farm just west of Bluffs and brought suit charging that the obstruction of a certain bridge by the railroad had caused his land to overflow and that a serious crop loss was the result. The suit was brought in the Scott county circuit court and transferred to the federal court on motion of the defense. Mr. Woodson had as his attorneys, Mr. McKeen of Scott county, and Mr. Putting of the attorney general's office and State's Attorney Mortimer of Sangamon county. The director general of railroads was represented by Walter Bellatti and Paul D. Moriarity of this city.

Mr. Woodson claimed the damage from overflow to his crops the past year amounting to \$5,312. It was shown that his crop return had been \$6,700. The jury after considering the evidence and argument returned a verdict in favor of the complainant for \$2,780.

FORUM COMMITTEE ANNOUNCES PROGRAM

The Community Forum committee has pleasure in announcing its program for the month of February:

Sunday, February 1st, John Lugo of Monmouth, Illinois, will be in constant demand for Community gatherings and a great representation as a speaker. During the war Mr. Lugo was used by practically all war organizations. His topic will be "Some old fashioned ways."

Sunday, February 8th, Henry F. Cope, an author of some note, the editor of "Religious Education," a lecturer who has practically covered America at different times. Dr. Cope is the president of the International Religious Education Association and general secretary of the Religious Education Association of America. His subject is "The Religion of an Honest Mind."

Sunday, February 15th, John L. Whitman, superintendent of prisons of Illinois. A man who has a great responsibility and carries with credit to himself and the state. Mr. Whitman will speak on "The Spirit of the Law."

Sunday, February 22nd, Rees Turpin, a lawyer of Kansas City. Mr. Turpin has been active in assisting industrial concerns in establishing fruitful relations between employer and employee. His address will be "The Challenge of the Mississip Valley."

Sunday, March 14th, Dr. Morris H. Turk of Kansas City, a member of the Open Forum National Council, a man who has done great deal to promote the Forum ideal and in constant debate of Forum addresses. His address will be "As a Nation Thinks."

This series of addresses by men who have a right to speak to men and women will command itself to the thinking people of Jacksonville.

NEW YORK BIRTH RATE REDUCED
New York, Jan. 24.—New York's state's normal birth rate has been reduced by 36,000 since January 1, 1918 because of the war and the resultant high cost of living. Dr. H. H. Biggs, state commissioner of health stated today.

Joseph W. Jackson of the Andrew Lumber Co. left Saturday for New Orleans on a business trip. He will go to Hattiesburg and several other cities in the south before his return.

PLACE TELEGRAMS IN EVIDENCE AT BORDER HEARING

Relate to Messages Between Huerta and Carranza

DISPUTE OVER STATE TROOPS

SAN ANTONIO, Texas, Jan. 24.—Copies of official telegrams purporting to throw some light on Carranza's refusal to recognize Huerta were placed in evidence at the last hearing here today of the senate sub-committee investigating the Mexican situation. The correspondence was exchanged at the time Carranza was governor of the state of Coahuila.

A message to the American state department from the consular officer then at Saltillo was that Carranza had decided to recognize the new government but the correspondence indicated it was sent without knowledge of the controversy between Carranza and Huerta.

The dispute was concerning the maintenance of state troops. The former government had appropriated annually a certain amount of money for that purpose and regarding the continuance of the plan, it is known Madero and Carranza disagreed. The dispute was revived after Huerta assumed control of the government.

It was from the local organization that many of the leaders of the army Carranza later recruited came. Among them were Pablo Gonzales, Santos Coy, Lucio Blanco, Francisco Cox and Eulalio Gutiérrez. The controversy under the Huerta administration began February 22, 1913, with the formal notification of Carranza by Alberto García Granado, then secretary of the interior and subsequently executed by the Carrancistas, that Huerta was the president ad interim and called upon him to assist in the re-establishment of peace.

Carranza suggested a telegraphic conference in a message sent on February 25, seven days after the fall of the Madero government and three days after the death of President Madero and was dispatched after he had sent two personal representatives to the Mexican capital as shown by the following telegram dated February 24:

"Your attentive message of yesterday To treat of the matters to which I referred in my anterior message, Mr. Eliseo Arredondo, member of the general congress will leave tomorrow for your city representing this government and I also consider it proper that Mr. Rafael R. Arizpe, who resides in your city shall accompany him in the same capacity and to whom I have this day addressed a letter with that purpose in view. I hope the affairs concerning which the aforesaid gentlemen will speak with you will be arranged satisfactorily."

On February 27 Arredondo and Arizpe sent Carranza the following message:

"We have just had a conference with the minister of the interior and tomorrow we will carry thru with the honorable president of the Republic."

The next day Arredondo and Arizpe wired Governor Carranza as follows:

"We had a cordial conference with Mr. President and the ministers of foreign affairs and minister of the interior. It has been agreed to preserve the constitutional order in our state; that the federal government shall pay the auxiliary forces, they being subject to the orders of the same, under the management of the minister of interior. The other points were agreed upon also by mutual consent. Therefore we entreat you to please express the harmony existing between the state and federal governments, addressing yourself to this purpose on this way to be completed soon."

Coroner Rose also was notified of the sudden death of Mrs. Mariah Ann Currier. Mrs. Currier was apparently in her usual health Friday night.

She awakened about 5:30 o'clock Saturday morning and complained of difficulty in breathing. Her husband placed her in a chair and summoned a neighbor and also notified Dr. R. R. Jones. She died before the physician's arrival.

The following jury was empanelled: T. J. Mandeville, foreman; Edward O'Meara, L. L. Mandeville, S. M. Butler, I. R. Watts, and W. A. O'Meara, clerk. The jury heard the testimony of Herman Shumaker, Dr. R. R. Jones and Alex Currier. A verdict was rendered that death resulted from acute bronchitis.

Coroner Rose also was notified of the sudden death of Mrs. Mariah Ann Currier. Mrs. Currier was for twelve years private secretary for former Congressman Elzie Williams of Pittsfield. She has considerable experience in politics and at present is a clerk in the law office of Williams and Williams of Pittsfield.

Mrs. Wheeler is a daughter of Mr. Williams and as committee-woman of Pike county has already perfected her organization.

The following jury was empanelled: T. J. Mandeville, foreman; Edward O. E. Tandy and Mrs. W. S. Jones also met with the visitors during the day.

Miss Mayo received a telegram from Congressman Rainey during the day. It congratulated the women of the district on their organization, assured them of his hearty cooperation in their efforts.

Altogether the meeting was one of a most helpful nature and Mrs. Wilson was well pleased with the interest shown.

PRESENT PLAN FOR DISPOSAL OF SHIPS

WASHINGTON, Jan. 24.—A plan sponsored by the ocean committee of the United States chamber of commerce for the disposal of all shipping board vessels to private interests was presented to the senate commerce committee today by H. Sumner Myrick of Boston, vice president of the chamber. Formation of regional organizations virtually to undertake operation by shipping firms, government aid in some form, establishment of refueling stations under the auspices of the shipping board, exemption of the ships from taxation and promulgation of a general policy by congress department toward the merchant marine, were among the suggestions included.

The shipping board has available for sale 517 vessels of over 4,500 gross tons each not including German ships taken over at the beginning of the war, Mr. Myrick said. All of these vessels, he told the committee would be taken over by private interests if sufficient inducements were offered. In addition, he said, there are 327 ships under construction.

DR. RILEY TO ADDRESS COMMUNITY FORUM.

New York, Jan. 24.—New York's state's normal birth rate has been reduced by 36,000 since January 1, 1918 because of the war and the resultant high cost of living. Dr. H. H. Biggs, state commissioner of health stated today.

This series of addresses by men who have a right to speak to men and women will command itself to the thinking people of Jacksonville.

RICHARD BOSTON DIES THIS MORNING

Venerable Resident Died at Home of Son After Illness of Several Weeks—Was Born in England in 1834—Ran Wagon Shop at Lynnville for Fifty Years.

Richard Boston, a resident of Jacksonville for over half century, died at the home of his son Charles W. Boston at 2 o'clock this (Sunday) morning. He was stricken with pneumonia last November and tho he recovered his advanced years made his improvement only temporary. Two weeks ago he began to fail and continued to grow weaker until the end came at the hour indicated.

Deceased was born in Pickering, Yorkshire, England, November 19, 1834. He came to this country when about 22 years of age, two of his brothers being already here.

When he was 14 years of age and before leaving England he was apprenticed to a wagon maker and learned that trade. He opened a shop in Lynnville where for over fifty years he carried on the business of carpentering and wagonmaking.

Mr. Boston was twice married. He was united in marriage in 1852 to Miss Anna M. Grossup of Winchester. She died in 1871.

To this union two sons were born: George F. of Austin, Ill., and Charles W. Boston, circuit clerk of this city.

He was again married in 1875 to Miss Tarrissa Sellers, who also preceded him in death. He leaves a daughter by this marriage, Miss Maggie Boston of this city.

Mr. Boston was a member of Central Christian church. He also was a member of Gill Lodge No. 328 A. F. and A. M. of Lynnville. He was a man honest and upright in his dealings with his fellow man and was a citizen highly respected in this community where he spent so many years.

Mr. Boston retired from active work a number of years ago. Since 1918 he has been making his home with his son C. W. Boston, where he received every care and comfort in the declining years of his life.

Funeral arrangements have not been made.

CORONER HELD TWO INQUESTS SATURDAY

Two Sudden Deaths Occurred Early Saturday Morning—Baby Dies at Chapin—Mrs. Mariah Ann Currier Expires at Home South of City.

Coroner Rose was called upon to hold two inquests Saturday. The first was on the body of Verda Florence Vanter who was found dead in bed at an early hour Saturday morning.

According to the testimony of Dr. J. H. Fountain the child was suffering from acute bronchitis.

The jury was composed of J. N. Funk, foreman; G. O. McDonald, W. M. Vanter, Harvey Clemmons, Isaac Flynn and John Flynn, clerk. The jury returned a verdict that death resulted from acute bronchitis.

Coroner Rose also was notified of the sudden death of Mrs. Mariah Ann Currier. Mrs. Currier was for twelve years private secretary for former Congressman Elzie Williams of Pittsfield. She has considerable experience in politics and at present is a clerk in the law office of Williams and Williams of Pittsfield.

Mrs. Wheeler is a daughter of Mr. Williams and as committee-woman of Pike county has already perfected her organization.

The following jury was empanelled: T. J. Mandeville, foreman; Edward O. E. Tandy and Mrs. W. S. Jones also met with the visitors during the day.

Miss Mayo received a telegram from Congressman Rainey during the day. It congratulated the women of the district on their organization, assured them of his hearty cooperation in their efforts.

Altogether the meeting was one of a most helpful nature and Mrs. Wilson was well pleased with the interest shown.

SPIEHL BROTHERS FORM PARTNERSHIP.

Otto and Fred Spihl have formed a partnership under the firm name of Spihl Bros. and will develop the business of the Spihl studio even in a larger way than has been true in past years. Otto Spihl will continue to specialize in high grade portrait work. His brother will be in charge of the commercial department, which includes outdoor work. He served for eighteen months in the 8th photo section of the American expeditionary forces and so had unusual opportunities for training and development.

The Spihl studio has since been known for its artistic work and the firm as constituted will give even more earnest and capable service to the public.

PROBATE COURT.
In the estate of Francis Morton, letters of administration were ordered to issue to Gilbert Morton and bond fixed in the sum of \$29,000.

In the matter of the adoption of Virginia Brisendine, by Mr. and Mrs. Peter Zabriski, the court appointed D. J. Staley to serve as guardian ad litem for the minor defendant.

LAST OF A. E. F. ARRIVE HOME
New York, Jan. 24.—The Army Transport, Martha Washington, arrived today from Antwerp with 88 officers and 220 troops—the next to the last contingent of the American Expeditionary Force to leave France.

The last of the Yankee soldiers to sail arrived earlier in the day from the place of Dr. Armstrong, who was originally announced but could not come because of illness.

WILL STOP AUTO THEFTS.

They don't do things by halves in Kansas and the legislature there is on record in favor of a law providing a penalty of from 5 to 15 years for automobile thefts. There are so many car owners in the Sunflower state that the approval of this law will be almost unanimous.

FINANCIAL CONTRADICTION.

A financial expert claims that Europe owes the U. S. \$18,000,000,000 and predicts the money will not be paid, that the account will be repudiated. This may be true, yet there are plans underway for the extension of further credit, to some of the European nations near bankruptcy, purposing not only to help those nations but to provide a market for the United States.

CHANGING VALUES.

A certain piece of property which sold in Chicago in 1829 for \$263 recently on the market brought \$500,000. There was 81 years in the interim so that the advance was not as surprising as some real estate changes which have taken place in two or three years' time. The instances are numerous where farm land and city property have advanced in that comparatively short space of time more than 100 per cent.

PRE-ELECTION WORRY.

If Mr. Hoover happens to be nominated by either party, his policies not having been determined, it will be as a compromise candidate. Julius Barnes, who leads the Hoover for president movement in the United States, says that no special organizations for his candidacy are authorized. At any rate the former food administrator will not have all the pre-election work and worry which is sure to come to the announced candidate.

TO WHOM HONOR IS DUE.

Today in many cities in thirty different states services will be held in honor of army nurses. The movement which resulted in this nation-wide program was inaugurated by the men in the army hospital at Ft. Sheridan. The heroism of these men at the front in the trenches has often been depicted and too much of honor cannot be paid to these heroes. Yet the heroism and self sacrifice of these men in no way exceeded that of the army nurses. The records are full of proof of the unwavering patriotism of army nurses—their abandonment of self interest and their entire willingness to forget themselves in the service of others.

The idea of honoring them on a special day was well conceived.

FOR WOMEN OF TODAY AND TOMORROW.

The Y. W. C. A. proved an efficient organization thru the war period.

The scope of its work was enlarged at that time and many women came into a new understanding of the pleasure there is in service. What was accomplished in those years gave the leaders and workers of the organization ideals for the after-war program.

Mrs. Sherwood Eddy in a public address in Jacksonville yesterday outlined the world-wide Y. W. C. A. movement whereby it is expected to give aid to girls not only in congested cities but rural communities and in industries and in foreign countries. The work as planned if carried out will give present day benefits, but will reflect its greatest good in the womanhood of the country ten years hence.

THE TEACHERS WIN.

The demand of Chicago teachers for higher pay has been met with a blanket increase of from \$400 to \$500. This is not nearly as much as the teachers demanded but served to bridge over the impending crisis. The teachers have been able to show some startling facts about their pay in comparison with that of mechanics, indicating that they were not receiving half as much as the trained artisan. The only answer to these figures is that the argument of the teachers did not show that the mechanic's employment is by the day or hour, and that in the course of the year he loses a great deal of time.

NOT AN' AID TO HARMONY.

Altogether Secretary Daniels is such an ardent dry enthusiast he doesn't side with Mr. Bryan in condemning Chairman Cummins of the Democratic national committee for attending the banquet in honor of Gov. Edwards of New Jersey. The Edwards platform is opposed to national prohibition and Bryan has suggested the impropriety of Mr. Cummins' indicating approval of a Democratic leader who favors the liquor cause. Whether or not Mr. Bryan's attitude will lessen the Cummins influence, it does not add to party harmony and Republicans are not finding any regrets over the incident.

What a

Trustee Does

There may be reasons why your Executor should be continued as Trustee under your Will. As Executor, his duty is to CLOSE your estate and wind up your affairs.

But you may not wish your estate parceled outright. You may wish certain heirs to enjoy income only for their lifetime or for a stipulated period. You may wish the estate or certain portions of it managed for the benefit of certain heirs until a given time. You may wish to keep your entire estate intact for the best interests of your heirs. Your Trustee will have continuous charge of such matters as you designate in your Will.

It is obvious that a Trust Company will outlive any continuous trust and equally obvious that an individual may not. This is a matter upon which our Trust Officer can further enlighten you.

The men played together better and had a better eye for the basket. This was especially true of Green who caged the first two baskets made by Jacksonville. In addition to this Green played a wonderful game on both offense and showed a speed that bewildered the opposition.

Lucas and Hunter also figured in the scoring and Hunter easily outplayed his opponents at center while Woods, Hunt and Johnson performed well while they were in the game.

The referee sent Ransdell from the game in the second half for unnecessary roughness. Gard took his place.

For White Hall, Frame, Boyd and Goode scored the points while Grier at back guard played a good game.

The score at the end of the first half was 16 to 2 in favor of Jacksonville. In the second half the visitors put more "pep" in their playing and scored three field baskets and one free throw. The score:

Jacksonville: F.G. F.T. Tis

Lucas, f 5 0 10

Hunt, f 0 0 0

A BARGAIN IN PAINT

We have about thirty gallons of discontinued colors of the famous

Horse Shoe Paint

which we will sell at

Less Than Wholesale Cost

During the war, at government request, paint manufacturers discontinued a number of colors. They had been making from 30 to 60 shades of each fundamental color—which was PURE EXTRAVAGANCE and only served to confuse buyers. With the conclusion of the war it was decided not to resume their manufacture. We chance to have about 30 gallons of these discontinued colors in stock. Of some there is enough to paint a whole house—of others a barn, garage or other small building. Both inside and outside colors are included. If you need any paint whatsoever, don't overlook this offering. The price will surely interest you.

Long

as

It Lasts

Not a yard of the new goods that we have ordered for spring has put in an appearance. What the prices of suits will be we can't say—we know this, though, that they must be considerably higher than at present.

But listen, we still have a number of medium weight, all-season, all wool patterns left that we will make up at the old prices. And, if you are at all wise, you will drop in this week and look 'em over. We can save you money. There also are a few odd lengths that we will close out very reasonably.

Jacksonville Tailoring Company

233 East State St.

All work done in our own shop by Skilled UNION LABOR

With the Sick

Charles B. Graff, vice president of Ayers National bank, who has been confined to his home on Sandusky street for several days by illness was much better Saturday. Mr. Graff will probably be able to resume his work in the course of this week.

Jay Rodgers is at home from Waverly and is confined to the house with a sore throat.

Mr. and Mrs. John M. Butler have both been ill for several days at their home on West College avenue but are now recovering. They have been victims of the flu.

Ellis Henderson has been detained at his home on North Fayette street for the past two weeks by illness.

At Passavant Hospital.

Mrs. Charles Baker and Mrs. Walter Robinson of Yatesville were visitors at Passavant Hospital Saturday to see Mrs. Baker's son Chester, who is a patient at the institution.

French Foward, 115 Doolin avenue, a presser at J. Capp & Sons, was brought to Passavant Hospital yesterday afternoon on account of illness.

Mrs. Sarah Riddle who has been a patient at Passavant for some time, was sufficiently recovered to be able to leave and return to her home yesterday afternoon.

Miss Sandberg who has been a patient at Passavant Hospital, was able to return to her home on Webster avenue yesterday.

Charles Gillette, who is a patient at the hospital, is reported as improving in a satisfactory way.

Mrs. C. K. Million of Delavan visited her son Ray Saturday at the hospital.

Waiter Lyons, aged 14 years, son of Mr. and Mrs. Henry Lyons of Waverly, was brought to the hospital Thursday, suffering from pneumonia. His condition is said to be slightly improved.

In the same ward with Walter Lyons are two other children from Waverly, Lester and Russell Sperry, whose parents and one little sister have died within the last few days. Lester is four years old and Russell is 12 and both are getting along in fine shape. When they were brought to the hospital a few days ago they were suffering from heavy colds and in a run down condition and it was feared that pneumonia might develop. In another week or so when these three youngsters get more strength it is probable that this ward will be one of the brightest spots at the institution.

John Lee Hennel of Eldred, a surgical case at the hospital since December 22, was sufficiently recovered as to be able to return to his home yesterday.

Samuel Henry of Woodson, who has been at Our Savior's hospital for the past month, is slowly improving.

The condition of Richard Boston, showed no improvement yesterday and he was still accounted as critically ill.

Social Events

Unity Workers Meet With Mrs. Baxter.

The Unity Workers of Woodson Unity church met with Mrs. John Baxter Thursday, Jan. 22 at 2:30 p.m. with a good attendance. After the Devotional exercises, business was transacted. Mrs. Baxter gave several selections on the Victrola. The meeting closed with the song, "In the Sweet By and By," and a short prayer by the president. Delightful refreshments were served by the hostess. All who were present enjoyed a social chat. Thanking Mrs. Baxter for the pleasant afternoon. The next meeting will be held at the home of Mrs. Powell, Feb. 26th.

Camp Fire Girls Gave Supper.

A group of girls from the Yojasovi Camp Fire of which Mrs. F. J. Heindl is guardian, gave a supper to members of the camp at the Congregational church Saturday evening in honor of Maude Hackett. There were sixteen in the entire company and the girls were limited to an expense of 25¢ a plate. By serving this supper the four girls, Helen Turner, Carol Lander, Caroline Doane and Helen Walton qualified for the "fire-makers" degree. After the supper the girls spent an hour or more practicing camp fire songs and planning for some future work.

Mother's and Friends Gave Box and Tie Social.

At the Mothers and Friends Association Box and Tie Social, given Friday evening at the home of Mrs. Lee Leitzel, the ladies with small waists were at a premium. Each lady brought a numbered package containing a tie and sash, these articles to be worn by the men drawing them. The package numbers corresponded with numbers on lunch boxes provided by the association. The gentlemen present selected a box, found the lady with the like numbered package and then settled his admission on the basis of that lady's waist measure, at the rate of two cents per inch. Needless to say a great deal of merriment was occasioned. Following the lunch was a short business session, the remainder of the evening being devoted to games and music. Despite bad weather a large number was present.

New York, Jan. 24.—James W. Gerard, former ambassador to Germany, whose name was filed as a Democratic candidate for president at the South Dakota primaries, has accepted the challenge of George D. Monroe of Chicago, an independent candidate for a joint debate on the presidential issues. The challenge was made and accepted in compliance with South Dakota laws. The debate will be held at Sioux Falls, March 2, Mr. Gerard announced.

ILLINOIS COLLEGE IS AGAIN DEFEATED

Lost Second Game to McKendree Saturday Night by Score of 24 to 7—Illinois Men Were Handicapped by the Hall Which is Long and Narrow.

Lebanon, Jan. 24.—Illinois College was again defeated by McKendree here tonight by a score of 24 to 7. The Illinois team seemed to be handicapped by the hall which is long and narrow and were unable to get started.

Coach Harmon started Mellon at center but replaced him with Tomlinson in the second half. Jones was sent to the side lines for committing four personal fouls and Davis took his place.

Tomlinson and Allen scored Illinois' points while every man on the McKendree team had a hand in the scoring. The score:

Illinois	F.G. F.T. Tl.
Allen, f	1 0 2
Barnes, f	0 0 0
Mellon, c	0 0 0
Tomlinson, c	1 3 5
Jones, g	0 0 0

REPLY DEMANDED BY BROTHERHOODS

CLEVELAND, O., Jan. 24.—The Brotherhood of Railway Trainmen thru its general executive committee and grand lodge officers, will press Director General Hines for reply to their demands for increased wages at a conference in Washington on Feb. 2 or 3. President W. G. Lee announced tonight. The wage increase by the trainmen ranged from 35 to 47 per cent and was presented in July, 1919. No reply has been made. President Wilson requesting the men to wait "a reasonable time" pending a reduction in the cost of living.

In the same ward with Walter Lyons are two other children from Waverly, Lester and Russell Sperry, whose parents and one little sister have died within the last few days. Lester is four years old and Russell is 12 and both are getting along in fine shape. When they were brought to the hospital a few days ago they were suffering from heavy colds and in a run down condition and it was feared that pneumonia might develop. In another week or so when these three youngsters get more strength it is probable that this ward will be one of the brightest spots at the institution.

John Lee Hennel of Eldred, a surgical case at the hospital since December 22, was sufficiently recovered as to be able to return to his home yesterday.

Samuel Henry of Woodson, who has been at Our Savior's hospital for the past month, is slowly improving.

The condition of Richard Boston, showed no improvement yesterday and he was still accounted as critically ill.

MUNSEY WILL MERGE HIS PAPERS

NEW YORK, Jan. 24.—Frank A. Munsey, owner of the New York Sun and the Evening Sun, who recently bought the New York Herald and Evening Telegram from the estate of the late James Gordon Bennett, announced tonight that the Sun and the Herald would be amalgamated Feb. 1, under the name of the Sun and New York Herald.

The plant of the Sun is to be used for the publication of the Sun and New York Herald. Mr. Munsey explained, because the ground lease upon which the Herald now stands rests expires in a few months and will have to be abandoned.

PREDICT DECREASE IN COST OF LIVING

NEW YORK, Jan. 24.—A decrease in the cost of living in the next few months was predicted today by Arthur Williams, federal food administrator. He based his belief on the spirit of economy prevailing among the people as a whole, decreased exports and increased production.

Prices of clothing will drop sharply within year, Mr. Williams believes, and he advised against stocking up on apparel now. The wiser course, he says, is to buy clothes that actually are needed.

60 YEARS OLD, IN FIRST PUBLIC APPEARANCE

BOSTON, Jan. 24.—Jesse Pomeroy, who has served 40 years in solitary confinement, is to appear in public for the first time since he was a boy, at a minstrel show to be given by the inmates of the state prison. As the latest of liberties which have come to him since the solitary feature of his sentence was commuted three years ago, the life convict will be allowed to take part in the show as a reader of his own poems.

Pomeroy is 60 years old. He has been in prison since his seventeenth year for crime committed as a boy.

RECORD FOR HOLSTEIN

Appleton, Wis., Jan. 24.—Alcarra Jewell, a registered Holstein belonging to Harvey Hallitt of Grand Chute, made a record of 7,683 pounds of milk and 91.6 pounds of butter fat during December.

LITERBERRY

Literberry, Jan. 24.—Among those from Literberry in Jacksonville Saturday were: Mr. and Mrs. W. W. Young, Walter Long, Miss Margaret Chapman, Oliver Lindsey, B. A. Johnson and Samuel Johnson.

Verda Florence Vanter died at the home of her parents in Chapin at 2 o'clock Saturday morning. Deceased was born in Chapin, November 2, 1919. She is survived by her parents and the following brothers and sisters. Thomas, Helen, Alice and Crawford Vanter.

Funeral services will be held from the residence in Chapin Sunday afternoon at 2 o'clock in charge of the Rev. C. G. Cantrell. Burial will be in Jordan cemetery.

Currier.

Mrs. Mariah Ann Currier died at the family home, seven miles southwest of the city at 6 o'clock Saturday morning.

Deceased was the daughter of James J. and Mariah Ann Schell Hall and was born in Morgan county and was 62 years of age at the time of death.

She was united in marriage to Alexander Currier who survives together with two sons, Warren E. Currier of St. Louis, Mo., and Harry O. Currier, residing at home.

Funeral services will be held from the Woodson Presbyterian church at 10:30 o'clock Tuesday morning in charge of the Rev. Mr. Powell. Burial will be in Diamond Grove cemetery.

Baptist.

Brief mention was made in Saturday's Journal of the death of John Baptist, which occurred at his home on Caldwell street at an early hour Saturday morning.

Deceased was born September 12, 1830, in the Island of Madeira.

He came to this country when a child and all his life had been spent in this city and vicinity. His wife preceded him in death twenty-seven years ago. He was the father of fifteen children, two of whom preceded him in death. Those surviving are: Charles, Carolyn, Robert, Lewis, Thomas, Ellen, Laura and Theodore. Mrs. Joseph De Goveia, Mrs. John Oliver and Mrs. B. C. Andrews, all of this city. John of Houston, Texas, Mrs. Elizabeth Fairall of Los Angeles, Cal.

Funeral services will be held from the residence, 405 Caldwell street, at 2 o'clock this afternoon in charge of the Rev. A. A. Todd, pastor of First Baptist church. Burial will be in Jacksonville cemetery.

Clubs and Societies

The Relief Committee of the Social Service League will meet in the new room on East Morgan street Monday at 2 o'clock.

The Monday Conversation Club will meet with Mrs. M. F. Dunlap at 2:30 Monday afternoon.

The Pastoral Helpers of the Central Christian Church will meet Wednesday at 2:30 for election of officers which was postponed at the last meeting.

The Literary Union will meet Monday evening with Dr. Black at his residence. Leader Dr. Black, subject, Twins; ordinary and identical.

Fortnightly will hold its anniversary meeting at the home of Mrs. Doane, 906 Grove street, Saturday, Jan. 31, at 1:00 o'clock.

The College Hill club will meet with Mrs. DeMotte on Prospect street, Monday at 3 o'clock. A speaker will be present to present the story of the Y. W. C. A.

The directors of the Social Service league will meet in the new room in the Ward building, 221 West Morgan street, Tuesday evening at 7:30.

The Rev. James Caldwell chapter, D. A. R., will hold their regular monthly meeting at the home of the Misses Dummer, 711 West College avenue, Tuesday afternoon, January 27. Business meeting at 2 and program at 3 o'clock.

On account of illness in the family of Mrs. H. M. Capps the meeting will not be held at her home as originally announced.

The Mission Study Circle of the Congregational church will meet with Mr. and Mrs. J. Z. Knapp, 1022 West College avenue, Tuesday evening, January 27th at 7:30 o'clock.

R. P. Joly will review the first part of the new book Christian Americanization by C. A. Brooks.

The Ladies' Aid Society of

State street church will hold an all day meeting in the church parlor Thursday of this week.

The Fine Point Club will meet with Mrs. Lloyd W. Brown, 1122 West State street, Friday afternoon.

The South Side Circle will meet with Mrs. W. W. Gillham, 930 West State street, Friday afternoon at 2:30.

MRS. JAMES K. HACKETT FRIDAY ART CLUB HELD MEETING

Mrs. James K. Hackett, professionally known as Beatrice Beckley, who will be seen as the wife whose husband would not forgive in "Should a Husband Forgive?" the big William Fox special which will be seen tomorrow and Tuesday at Luttrell's Majestic Theatre, caps an interesting career by her work in this feature.

Mrs. Hackett was born in London and began her stage career in England. She had appeared in leading roles with Sir George Alexander, Cyril Maude, Sir Herbert Beerbohm Tree and Marie Tempsky. She came to America to play in "The Walls of Jericho," with James K. Hackett. She played Desdemona in Mr. Hackett's revival of "Othello" during the Shakespearean tercentenary.

Mrs. Hackett was seen in Broadway during the past two years in "Why Marry?" and in the revival of "Mrs. Warren's Profession." She is now appearing in support of Ethel Barrymore in "Declasse."

In "Should a Husband Forgive?" Mrs. Hackett made her second appearance in pictures. Her first was as the Princess Flavia in "The Prisoner of Zenda," the guest at the home of Mr. and Mrs. Wilson, 806 East Railroad street.

"WANTED"

The public to know that I am still selling HIGH TEST GASOLINE, High Test CYLINDER OIL, and my prices you know have always been THE LOWEST. If you don't believe it, make me prove it.

C. N. PRIEST,
The Ford Man.

Robert Holt, formerly of this city but now of Winnipeg Canada enroute to Peoria and Galesburg to visit relatives and friends there was \$50,000 women and girls in industry working 12 to 16 hours a day, seven days a week. Their pay is from 10 to 20 cents a day. The price of rice has gone up in Japan 300 per cent in recent years, therefore the women are overworked and undernourished. More than 80,000 of these Japanese women workers break down every year under the strain. Are we going to say, "It is none of our affair?"

"How are you women in Jacksonville going to respond to this appeal for financial aid soon to be made in a country wide way? Are you going to say 'I am tired of giving,' or are you going to open your hearts and your pocket books and join in the work for those of your own sex not so fortunate as you yourself are? I hope you recognize the need and will do everything in your power to overcome that need."

Helps the College Girl.

"Then you ask 'What can the Y. W. C. A. do for the college girl?' She has all the education and companionship she needs, but the Y. W. C. A. gives her an outlet for service. The college girl receives and receives, and she must learn to give. The girls in industry have learned to be very practical and this quality is just what most college girls need. If we can bring these girls closer together the benefit will be mutual."

"The association helps the woman of leisure—the woman who has lots of time and money and nothing to do. During the war days these women were busy as could be and now they find it hard to return to the pre-war program. You know, we never find happiness if we seek it for ourselves, but when we are trying to make others happy we find it ourselves."

Needs of the Foreign Born

"The Y. W. C. A. works without distinction as to race or creed and the colored women and girls are given just as much thought and care as are their white sisters. Wherever we turn in the industrial world we see the colored girl at work, and in return for this industrial aid we must do something for her welfare. Then there is the foreign born woman who needs especially the care of the Y. W. C. A. We must remember that the foreigners of today will make the Americans of tomorrow and we must make good American citizens of the foreigners who come to our shores. We must give them the best that America has to give."

"No nation can live an isolated life. What touches one, touches all. During the war I saw all races working together and fighting together against a common enemy. They wage fighting to win the war. We have a bigger opposition—the winning of the world. Then let us all unite in the great cause, remembering that the world is now facing a crisis. My husband and I have just come from a journey which took us all around the world, and in every place we found the greatest unrest. Europe and Asia are both holding out their hands to America for relief. The question is, will we respond? Are we going to say we have come out of the war the richest nation of the world. We are safe and happy. Let the others look out for themselves." Just as surely as we allow the other nations of the world to go down to ruin, just so surely do we drag our own nation down. If we do not help Europe in this crisis, we

Mrs. Sherrwood Eddy Heard in a Fine Address Saturday Afternoon at Woman's College Meeting Planned by Jacksonville College Club in Interest of Y. W. C. A. Campaign.

The story of what the Young Woman's Christian Association is doing for women and girls of the world was told in a most interesting way by Mrs. Sherwood Eddy Saturday afternoon at the Woman's College. The address, which was given under the auspices of the Jacksonville College Club in the interest of the coming financial campaign for the Y. W. C. A., was heard by a large audience and all those present found the subject an engrossing one. The musical program included a group of songs given by Mrs. Winham Barr Brown in her usual charming manner. Mrs. Nielsen Ayers Bullard was the accompanist.

Mrs. A. B. Applebee, the president of the club presided and introduced Miss Mary Wadsworth Morgan County chairman in charge of the coming campaign. Miss Wadsworth expressed her pleasure in being able to present Mrs. Eddy as the speaker of the afternoon. Mrs. Eddy is possessed of a very pleasing manner and was able in her brief address to make her hearers realize to the full the great scope of the work which the Y. W. C. A. has done and is doing. She said in part:

"The Russian Problem. Then turn to Russia—that country which is in chaos and confusion from end to end. An English woman who was in Russia and later escaped to England, told me that you could call nothing your own there; that the soldiers come to your house and demand entrance and take whatever appeals to their fancy. Men and women are taken to prison without trial and are put to death unjustly. That is Bolshevism and that is what we are going to bring upon ourselves if we live a selfish life. In Russia this winter men and women, boys and girls have been dying like flies because they have not sufficient food and clothing to keep them alive."

"The work of the Y. W. C. A. in Russia is most difficult because those in charge of the work never know who is in power. The form of government changes overnight and the sound of rioting is just as common there as is the clanging of locomotive bells here. The Russian women are fine if only they had a chance. They have been so crushed, first by czarism and now by Bolshevism, but when they have a chance they will show what they can do under a Christian rule."

The Call of Armenia.

"I cannot understand how America has stood silently by and witnessed the Armenian tragedy—a Christian nation being put to death by the Turks. There are now only about a million Armenians left living and they are kept alive by American supplies. The people there are so glad to be able to help themselves, so keen and the sound of rioting is just as common there as is the clanging of locomotive bells here. The Russian women are fine if only they had a chance. They have been so crushed, first by czarism and now by Bolshevism, but when they have a chance they will show what they can do under a Christian rule."

Spiritual Side Most Important

"The spiritual side of the work is the most important. If we only develop the mind and body we leave the best part of the girl's life untouched. Above all is the building of character, and if the women of America are Christians we need not fear about the race. When we realize the temptations which confront the average working girl, we know how much they need to adopt right ideals of life."

"The problem of the country girl is the lack of companionship. The recreation centers meet this problem and give the girl the opportunity to meet other girls, and the dress making and cooking and other classes also serve the same purpose in addition to giving useful training."

Helps the College Girl.

"Then you ask 'What can the Y. W. C. A. do for the college girl?' She has all the education and companionship she needs, but the Y. W. C. A. gives her an outlet for service. The college girl receives and receives, and she must learn to give. The girls in industry have learned to be very practical and this quality is just what most college girls need. If we can bring these girls closer together the benefit will be mutual."

"The association helps the woman of leisure—the woman who has lots of time and money and nothing to do. During the war days these women were busy as could be and now they find it hard to return to the pre-war program. You know, we never find happiness if we seek it for ourselves, but when we are trying to make others happy we find it ourselves."

Needs of the Foreign Born

"The Y. W. C. A. works without distinction as to race or creed and the colored women and girls are given just as much thought and care as are their white sisters. Wherever we turn in the industrial world we see the colored girl at work, and in return for this industrial aid we must do something for her welfare. Then there is the foreign born woman who needs especially the care of the Y. W. C. A. We must remember that the foreigners of today will make the Americans of tomorrow and we must make good American citizens of the foreigners who come to our shores. We must give them the best that America has to give."

"No nation can live an isolated life. What touches one, touches all. During the war I saw all races working together and fighting together against a common enemy. They wage fighting to win the war. We have a bigger opposition—the winning of the world. Then let us all unite in the great cause, remembering that the world is now facing a crisis. My husband and I have just come from a journey which took us all around the world, and in every place we found the greatest unrest. Europe and Asia are both holding out their hands to America for relief. The question is, will we respond? Are we going to say we have come out of the war the richest nation of the world. We are safe and happy. Let the others look out for themselves." Just as surely as we allow the other nations of the world to go down to ruin, just so surely do we drag our own nation down. If we do not help Europe in this crisis, we

bring about the curse of Bolshevism.

During the war, French women worked in the munition factories because they were told the lives of their men and the hope of their country depended upon sufficient munitions. The Y. W. C. A. had a great part in making the lives of these women workers more cheerful and desirable. The war is over and France is saying 'Do not leave us. We need you now more than ever.' So many women are thrown out of work by the cessation of hostilities and they are unfitted for any other kind of work. The American women were asked to stay and train the French women in useful occupations, and as a result of the good work done in France other European nations are asking that the same work be done within their borders.

The conditions in Poland are almost unbelievable. This one country alone lost six and a half million lives in the war, and there are today eleven million persons homeless and destitute. The Y. W. C. A. has trained Polish girls in this country and has sent them there to maintain soup kitchens and orphanages and to help build up the broken down womanhood of that destitute country.

The Russian Problem.

"Then turn to Russia—that country which is in chaos and confusion from end to end. An English woman who was in Russia and later escaped to England, told me that you could call nothing your own there; that the soldiers come to your house and demand entrance and take whatever appeals to their fancy. Men and women are taken to prison without trial and are put to death unjustly. That is Bolshevism and that is what we are going to bring upon ourselves if we live a selfish life. In Russia this winter men and women, boys and girls have been dying like flies because they have not sufficient food and clothing to keep them alive."

The Call of Armenia.

"I cannot understand how America has stood silently by and witnessed the Armenian tragedy—a Christian nation being put to death by the Turks. There are now only about a million Armenians left living and they are kept alive by American supplies. The people there are so glad to be able to help themselves, so keen and the sound of rioting is just as common there as is the clanging of locomotive bells here. The Russian women are fine if only they had a chance. They have been so crushed, first by czarism and now by Bolshevism, but when they have a chance they will show what they can do under a Christian rule."

ST. LOUIS IS WORLD'S
GREATEST FUR MARKET

Great Sale Opens Tomorrow in Which Nearly Five Million Valuable Pelts of Different Kinds of Fur Bearing Animals Will be Offered to Dealers Representing Every Civilized Nation of the World.

That St. Louis, ninety miles from this city, is the center of the world's fur trade, is a fact with which many are familiar. As proof of this assertion we list below the pelts of fur bearing animals which will be placed in sale in that city commencing tomorrow, a total of 4,826,110 animals. It will surprise you to look over this great list to learn of the many thousands of fur bearing animals that are annually placed on sale at St. Louis for purchase by fur dealers from all over the world.

The London winter fur auction sale will open tomorrow in St. Louis at which time the following furs will be offered for sale.

The total quantities to be offered by the various brokers are given herewith:

333,500 muskrats.

335,000 opossums.

21,000 raccoons.

64,000 civet cats.

96,000 mink.

1,500 silver fox.

2,100 cross fox.

70,000 red fox.

120,000 white hare.

70,000 nutria.

47,000 lamb thibet.

800 lamb thibet robes.

25,000 slink crosses.

8,000 slink skins.

625,000 Chinese rabbits.

5,800 white rabbit crosses.

160,000 kid crosses skins.

15,700 white fox.

600 blue fox.

15,000 gray fox.

67,000 kitt fox.

9,000 beaver.

*Beautiful New Georgette
and Crepe-de-Chine Blouses
—savingly priced at*

\$3.75

—At a time when sales of odds and ends, out-of-season styles are rampant, let us emphasize the fact that these Blouses are NEW; refreshingly new, that they were but recently designed and made up especially for us and for the other good stores in other cities who, too, have arranged for their exclusive sale. None of these styles have been shown here or elsewhere before.

—These Blouses are savingly priced and the savings are really substantial simply because of the fact that the materials were bought months ago at much less than the prevailing price, and they were made in a manner that effects very large economies. If we were obliged to buy these Blouses in the open market it would be necessary to sell them at considerably higher price.

**WS-11 is of Georgette Crepe, with pretty lace collar, and
with fine tucks trimming front and cuffs. WS-14 is a tail-
ored Georgette model with front pleasingly trimmed
with numerous fine tucks and rows of hemstitching.**

—The sale of these new Waists at this price at this time gives added evidence of the fact, that despite market conditions there is always a saving on the Blouses bought here.

Clover Seed

We all know the big benefit the soil derives from clover. We also know the great amount of wasted effort in fighting different conditions, trying to obtain a stand. Why should we waste our seed and time, when it is unnecessary? Who can tell, but we are safe in saying 25 per cent of clover seed sown in our county is wasted. It is our desire to help our farmers to stop this waste, we profit by their benefit, this is our "Reason."

The Alfalfa and Grass Seed Drill successfully overcomes the expensive and uncertain results obtained from broadcasting Clover, Alfalfa and other small grass seeds. In broadcasting these costly seeds there is a great waste, it is uncertain as to results, the seed is sown more or less uneven, is blown in patches by the wind, washed by rains, leaving it too thick or too thin in places, part is covered too deeply, part not deep enough, and much left on top of the ground is picked up by the birds. Therefore, many times more seed is required than necessary if all seed were put in the ground and covered uniform depth.

Call in and See This Drill

This drill sows the exact quantity desired. Not necessary to sow more good seed than actually required for a good stand of grasses. The seed is sown in rows 4 inches apart, conceded to be the proper width for Clover and grasses, because it produces the largest yield. All the seed is put IN the ground, not on top, deposited and covered uniform depth without waste. Even sowing means even growing. It makes a perfect seed bed, saves costly seed, insures against total failure, and increases the yield. Every tiny seed has a chance to germinate and produce a sturdy, vigorous, deep-rooted plant.

There are 18,000 Red Clover Seeds in an ounce or 288,000 to a pound. Fifteen thousand Alfalfa Seeds in an ounce or 240,000 to a pound. We have 43,560 square feet in an acre which means an average of 6½ Red Clover Seeds and 5½ Alfalfa Seeds to a square foot for every pound of seed sown. In the quantities usually broadcasted an average of 66 Red Clover Seeds and often 125 Alfalfa Seeds are deposited upon each square foot of ground, many times the number of plants the ground can support.

How much expensive seed do you waste in broadcasting? Drill the Clover Seed in winter wheat with the Alfalfa and Grass Seed Drill. Do not mud it in. Wait until the ground is right. This Drill will put the seed down in the moist earth where it germinates quickly and grows rapidly. The disks are set at a slight angle to give easy penetration. They cultivate the growing wheat without tearing up or injuring the plants, put new life and vigor into the growing plants, increasing the yield from three to five bushels per acre.

CHICAGO PEOPLE TO BUILD ELEVATOR

New Structure at Drake to Replace One Burned Some Time Ago — Thomas S. Smith Orchard Company Will Be Owners of New Structure—White Hall News of Interests.

White Hall, Jan. 24.—The Thomas S. Smith Orchard Co., of Chicago, will erect a new elevator at Drake at once, and this decision will probably set at rest any plans of the owners of the elevator that burned last October in the matter of rebuilding. The latter interests had expected to take up rebuilding at an early date, but were delayed on account of the adjustment of the insurance on the loss of the former elevator. The Smith Orchard interests have acquired large holdings in the apple growing section northwest of White Hall, and ranks next to A. L. McClay in the magnitude of their operations. The Smiths first purchased the Prindle farm of 240 acres, on which the original orchard was thirty acres, and which has been enlarged each year during the ten years or so since the Smiths have had the ownership. Numerous small orchards and crops have been leased from year to year in that territory. A year or more ago the Smith people purchased the Robinson ranch of upwards of 700 acres, located between the inland towns of Patterson and Glasgow, northwest of White Hall, and this acquisition has brought the Smith holdings up to about 1,500 acres, about one fourth of which is devoted to apples. The Robinson ranch has a large and modern elevator on the premises and also owns the stock yards on the north side of the C. & A. track at Drake

station. The acquisition by the Smiths means that the latter will henceforth deal extensively in live stock, and now they are assembling material at Drake for the construction of an elevator that will have a capacity of 15,000 bushels of wheat, and will also erect a large warehouse for the handling of apples, cooperage and spraying material, and in connection will also conduct a coal and feed business. Robert Hicks, manager of the former elevator, has been engaged as manager of the new elevator. The apple warehouse will be made large enough to accommodate the demands of the Smith orchards.

The next step of the White Hall interests will be to watch with eagerness. It had been said that these interests planned to rebuild at Drake and also enter the White Hall field by acquiring the mill and elevators here. The White Hall mill is still idle on account of some sort of a pending deal.

NATIVE OF GREENE COUNTY EXPIRES. Mrs. William Caffery, aged about 57 years, died at the home of her daughter, Mrs. Herbert Dugger, at 4:15 p. m., Thursday. About a year ago she was injured in an auto accident that affected her spine. She has always resided at Athensville, ten miles east of White Hall, and there reared a family of two girls, Mrs. Albert Hatfield of Rock Island, and Mrs. Herbert Dugger of White Hall. One child is dead. Her husband is well known over Greene county, principally because of his activity in Republican politics, being a leader of his party in his home township. About two weeks ago Mrs. Dugger came to White Hall for orthopedic treatment, but she continued to fail. The Cafferys are well known in White Hall, and are highly regarded. Funeral arrangements had not been announced at this writing.

WHITE HALL NOTES.

An eight pound girl arrived at the home of Mr. and Mrs. Edward Hitch Thursday. This is their fourth child.

It is reported that Curtis Bishop and family, comprising his wife and three children, are ill sick with influenza at their home in Carrollton. They formerly resided at White Hall.

A girl has arrived at the home of Mr. and Mrs. R. E. Bell at Fremont, Nebraska. They are well known at White Hall. Mrs. Bell's mother, Mrs. Rachel Fitz-Jarrel, is now at Fremont.

Auctioneer L. L. Seely is now able to be up, and will resume his sale dates next week. He will be at Westminster Monday, and from there will go to Wichita, Kansas, to assist in the sale at the national live stock show next week, where Gregory Farm will be entered in the Percheron horse section, the horses having gone forward Thursday in a special palace car in charge of John A. Bogess, Clark Wolfgang, who has charge of the Gregory Farm exhibit, left for Wichita Friday.

Rev. Leo Howard has been conducting a religious revival at Warrenton, Mo., and will be in the Methodist pulpit here next Sunday.

W. F. Ford of Patterson, merchant and widely known as a tuba player, is now commercial man, representing the Hood Rubber Co. of Missouri.

At the Christian church Sunday evening Rev. Edgar C. Lincoln will discuss the question "Have We Won the War?" He states that he will raise questions such as self determination and making the world safe for democracy.

Edward, age eight years, son of Dr. and Mrs. A. E. Meisenbach of St. Louis, is a regular member of the chorus of St. George's church in that city.

Mr. and Mrs. W. S. Corsa left Thursday for Chicago, and from there will go to Wichita, Kansas, to attend the national live stock show and visit Mr. and Mrs. E. S. Ridgeway.

GIRLS! A MASS

OF WAVY, GLEAMY, BEAUTIFUL HAIR

Let "Danderine" save and glorify your hair

In a few moments you can transform your plain, dull, flat hair. You can have it abundant, soft, glossy and full of life. Just get at any drug or toilet counter a small bottle of "Danderine" for a few cents. Then moisten a soft cloth with the Danderine and draw this through your hair taking one small strand at a time. Instantly, yes, immediately, you have doubled the beauty of your hair. It will be a mass, so soft, lustrous, fluffy and so easy to do up.—All dust, dirt and excessive oil is removed.

Let Danderine put more life, color, vigor and brightness in your hair. This stimulating tonic will freshen your scalp, check dandruff and falling hair, and help your hair to grow long, thick, strong and beautiful.—Adv.

ILLINOIS INHABITED 6,000 YEARS AGO?

St. Louis, Mo.—There has been no describable change in the shoulder blade of man in the last 6,000 years, according to Dr. William W. Graves, of St. Louis, who spoke before the recent meeting of the American Association for the Advancement of Science

dilloes and bats, he said.

Concerning the skeletons of Illinois River Indians, which he said appear to be between 4,000 and 6,000 years old, he was asked if he considered that proof that this continent was inhabited then by humans whose physical type was as high as that of the Egyptian.

A SERVICE STATION
Joy Bros
Garage and Service Station
West Court St. Both Phones

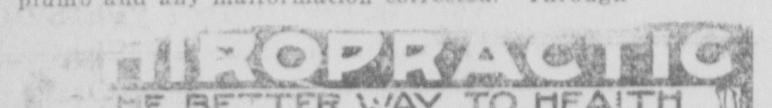

No greater service can be rendered by parents to the future development and happiness of the race than by giving closer attention to the physical development of the child in the early years.

If children are sick, weak, or puny, or undeveloped there is a cause and science proves that invariably it is found in the spine. Spinal defects shut off the life forces by pressing the nerves that supply some part of the body. It is this pressure that is the result of disease now and in later years.

Give the Children a Health Chance

Parents should not wait and hope for the child to outgrow spinal defect, but should have the young ones examined by a competent Chiropractor so that the little spines may be made plumb and any malformation corrected. Through

wise and careful parents may insure to their children a sound body, a strong constitution and a clear brain and prevent much illness. For the child's sake—for its future health and happiness, investigate Chiropractic (KI-RO-PRAK-TIC) and find out how beneficial it is in children's cases.

GIVES SURPRISE PARTY FOR DAUGHTER

Mrs. Albert Hayes Gave Party For Daughter Wednesday Evening—Domestic Science Club Will Start Sewing Class—Murrayville News Notes.

Murrayville, Jan. 23.—Mrs. Albert Hayes planned and successfully carried out a surprise party for her little daughter Miss Velma Wednesday evening. The occasion being her ninth birthday. The hours were from 5 until 7. Miss Velma was kept away from home by friends until the children had gathered, and on her return home was greatly surprised to find about twenty of her little friends there. During the hours a two-course luncheon was served, consisting of sandwiches and pickles, fruit salad, lemonade and cake. She was the recipient of many gifts, and the time passed so swiftly for the little guests. Those present were: Thelma Solomon, Geneva Millard, Lucile Lovell, Mildred Henry, Alice Rimbeck, Marjorie Barton, Helen Blakeman, Virginia Jones, Hazel Blakeman, Eloise Cade.

Dealers who display this sign handle Just Right Food Products.

**Try One Can of Just Right BRAND****CORN SYRUP**

and you'll never use anything else. The delicious flavor of this high-quality syrup will have won you forever. It's ideal for every household use—just the thing to feed plentifully to the children. Try a can—your grocer has it.

"Just Right for Dinner Makes Dinner a Winner!"

**HOME MADE RECIPE CATARRH AND COLDS**

Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcine and pour it into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

is the dentifrice that contains the properties recommended as idea by United States Army dental surgeons

WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-Feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-Feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you.

Seven a day for seven days—Wonderful results.

John and Edward Wright, Maurice Strang, Donald Pennell, Kenneth Cade, Heldon Solomon, Clyde White, Teddy Wright, Paul Baker, Ralph White, Robert Wright, Lloyd White.

Mr. and Mrs. Harry Cade and Mr. and Mrs. Warren Jones.

Mrs. J. A. Carlson spent Thursday with relatives in Manchester.

Miss Dora Smith of Jacksonville visited home folks Thursday.

Miss Pearl Rousey of Manchester is visiting Charles Rousey and family this week.

Mrs. Annie Still is confined to her home by illness.

Mrs. Nelle Kennedy French of New Castle, Ind., came Thursday for a short visit with relatives.

Mr. and Mrs. Arthur King and son were guests Thursday of Mr. and Mrs. Harry Cade.

George Jackson was a business visitor in White Hall Thursday.

Mrs. Albert Riggs and Mrs. Augusta Israel are confined to their homes from injuries received from falling on the ice.

The Domestic Science Club have had the basement of the school house concreted and expect to start a sewing class February 1st. The Red Cross have donated them a sewing machine.

The teachers will be Seniors from Woman's College. The club expects to put in the entire equipment next summer and have the full course ready for next year.

They will serve lunch at B. D. Cade's sale Friday, February 6th, and all friends interested and wishing to help in this good cause are kindly asked to donate pies.

PLAN TO SPAN DETROIT RIVER

Detroit, Mich.—The proposal to span the Detroit river between Windsor and Detroit with a suspension bridge to cost \$28,000,000 is again being revived.

Charles E. Fowler, of New York, a civil engineer, has been engaged by Detroit and Canadian capital to make a preliminary survey.

Building of the bridge, Mr. Fowler declares would take four years.

As proposed the bridge would have two railroad tracks, two tram tracks, two roadways and two sidewalks.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you.

Seven a day for seven days—Wonderful results.

Mr. and Mrs. J. L. Hauser of Indianapolis, Ind., are visiting in the city for a few days.

These men write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped.

It is reported that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives.

Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.

ILLINOIS WOMAN'S COLLEGE NOTES

The Seniors entertained the Sophomores Saturday evening, January 17, in the society halls. Stunts, clever representations of Freshmen, "before and after a month of college," a hair cutting escapade, and finally a take off on Madrigal club, occupied the first part of the evening.

The Juniors entertained the Freshmen in the reception hall and social room Saturday evening. After a general reception of guests, a stunt was presented, a pantomime, "Alonzo and the Brave and Fair Imogene." Games were played until time for refreshments.

Dr. Sheldon spoke at the Y. W. C. A. meeting Sunday afternoon on "The Divine Impossibility." He spoke of the necessity of sacrificing self to become of use and service in the world. In a most forceful and earnest way he brought his message which will

always be remembered.

The Dramatic club held its annual try out Monday morning in expression studio. Twenty-five girls tried out for membership, groups of them presenting parts of various modern plays.

The Colleg Hill club held its anniversary meeting in the social room on Monday afternoon, the guests of Mrs. Harker and Mrs. R. A. Gates. The two portmanteau plays by Stuart Walker, "The Triplet" and "Nevertheless," which had been given by the Dramatic club in December, were repeated.

Miss Anne Henrickson, a former graduate of the college, who is now engaged in the state work of public welfare, spoke in chapel Tuesday morning. Her subject was "The opportunities in the Social Service Field."

Bishop Quayle addressed the school at the morning chapel hour on Thursday. He spoke on "Appreciation as a Fine Art."

He said that this is an art which college students frequently lack and which all should strive to develop.

With the strange power and whimsical charm of his personality, he completely won his audience.

Mr. Gregory and Mr. Metcalf, guests of Mr. Albert C. Metcalf, gave a serenade on Thursday evening, playing several selections on the mandolin and guitar, which were applauded enthusiastically by the student body.

Miss Day representative of the Woman's Home Missionary society, addressed the students, Friday evening at chapel in the interests of her work. She stressed the opportunities for service among the foreign population of America.

The Pi Nu society and several guests are to have a picnic supper and "gym party" in the gymnasium Saturday evening.

Mrs. W. W. Deatherage was here Monday to attend the students' recital in the evening, at which her daughter, Miss Marjorie Deatherage, sang.

REMOVAL NOTICE
Dr. H. C. Wolman has moved his office to 603-4 Ayers Bank Bldg. Both phones 35.

COLLEGE OF MUSIC

Miss Mona Ramsey sang a solo at Grace church Sunday morning.

Reservations for seats for the Bonnet concert have been made by musicians of Springfield, Virginia and Waverly.

The following program was given in Music hall Thursday afternoon:

1 Piano—Etude in D minor Heller
Melya Moses.
2 Vocal—If No One Ever Marries Me Lehman
Katherine Whitney
3 Piano—Chaconne Roubier
Mary Edith Bumgartner.
4 Violin—Minuet Lange
Emery Abernathy.
5 Vocal—Hushen Needham
Violet Flowers.
6 Piano—Bachetta Nevin
Sarah Bristol.
7 Vocal—Come Down to Kew Dies
Mary Ellison.
8 Piano—Chanson Polulain Sinding
Estelle Cover.
9 Vocal—New Sleeps the Crimson Petal Quilter
The Nightingale has a Lyre of Gold Whelpley
Dorothy DeMay.
10 Piano—Valse C sharp minor Chopin
Edith Baldwin.
11 Vocal—Danny Boy Weatherley
Ruth Coe.
12 Piano—Tartantello Plezonka
Gladys Laughlin.
13 Vocal—Springtide Becker
Frances Dowling.

CLOSING OUT SALE
Wed., Jan. 28, at farm 7 miles north of Jacksonville, mules, cows, farm implements, corn, hay.

MRS. H. J. JOHNSON.

AUSTRALIANS MAY COME TO CANADA

Grande Prairie, Alta.—Australian sheep raisers are planning to emigrate to the Grande Prairie district of Northern Alberta, this spring, according to information received from Queensland by the local board of trade. It is claimed that the action of the labor party in Australia, in placing direct taxes on lands to absorb war debts, has caused a number of farmers and sheep raisers to decide to move to other parts of the British empire.

The Grande Prairie district was a complete wilderness a few years ago and has practically no railroad service. The Canadian government is building a line to this region from Edmonton. It is said that the wild country in the summer time is much like parts of Australia.

MANY EARTHQUAKES REPORTED IN 1919.

Washington—Four hundred and sixty-eight earthquakes were felt sensibly in various parts of the world during 1919. Of that number, 97 were felt in the United States, but there was no loss of life or serious damage to property from those in this country. Of the earthquakes occurring in other parts of the world, loss of life was recorded in that of April 28, in San Salvador and one on June 29, in Florence, Italy.

Eighty of the 97 earth shocks recorded in the United States were reported from California. The remainder were felt in various parts of the country from the Atlantic to the Pacific. Kentucky, Arkansas, Utah, Indiana, Illinois, Kansas, Tennessee, Washington, Virginia, New Jersey, and Michigan all reported shocks during the year.

H. J. Carlson of Clinton, Iowa, was a business caller in the city yesterday.

ILLINOIS COLLEGE NOTES

The Y. W. C. A. held its regular meeting in the Jones building Monday afternoon. The girls enjoyed a very interesting talk from the Reverend J. F. Langton.

The presentation of Ibsen's Hedda Gabler by Madame Bornya Hammer and her company, which was to have been given under the auspices of Illinois college and Illinois Woman's college on February 9, has been postponed until February 23.

Among those students who will complete their work at Illinois college at the end of the first semester are: Elzie Brown, Everett Whistler, Fred Bray, Robert Foster, Helen Taylor and Bessie Campbell. They will receive their diplomas at the regular commencement exercises in June.

Friends of Mrs. Jeanette Ogden, head of Academy hall, will be glad to know that she has recovered from her recent illness.

There will be a change in the schedule of classes at Illinois college with the beginning of the second semester. There will be four periods in the morning, holding chapel from 9:50 to 10:20.

The noon recess will be held from 12:10 to 1:30, and there will be two periods in the afternoon.

Lieutenant Fairbank Smith, '16 was a visitor on the campus several days ago. Lieutenant Smith is home on a thirty day furlough. Since the signing of the armistice he has been stationed at Camp Gordon, Virginia, in the regular army as personnel adjutant of the 61st infantry, and in addition to his regular duties has been teaching French in the camp university.

BUFFALO MEAT \$1.00 POUND

Dickinson, N. D.—Buffalo meat has been placed on sale here at \$1 a pound. The meat market where it was offered is on the exact site where 25 years ago the meat sold for three and four cents a pound.

A. Jaeger of Pekin was called to the city on business yesterday.

PAIGE

The Most Beautiful Car in America

One Ride Tells the Story

You need only the evidence of your eyes to be convinced that our new five passenger "Glenbrook" is an exquisitely beautiful motor car. It will require a demonstration, however, to really KNOW this model—and appreciate it.

Just one ride will tell a story that no salesman could put into words. Then, and then only, you will understand what our engineers have been able to accomplish in three years of patient experiment and testing.

We do not hesitate to claim that the "Glenbrook" is a very remarkable car. It is the expression of a definite effort to produce the most efficient of all light Sixes, and that necessarily implies new standards of power, flexibility, comfort and economy.

We merely ask you to take that first ride in the "Glenbrook"—and judge for yourself. We are quite content to abide by the result.

PAIGE-DETROIT MOTOR CAR CO., DETROIT, Michigan

L. F. O'DONNELL, Distributor
Salesroom 228 West State St.

75 HEAD OF MULES

consisting of
1 pair of iron gray mare mules, 6 years old, 16-1, weight 2400, as good as they grow.
1 pair of iron gray mules, horse and mare, 6 years old.
1 pair black and brown mare and horse mules, 6 yrs. old
1 pair brown mare mules, 16-2, weigh 2600, 4 years old.
1 pair brown horse mules, 16-2, weigh 2600, 7 years old.
1 pair gray horse mules, 16-2, 5 years old.
11 pair of matched mare mules coming 3 years old; they are the real fat good haired high class kind.
12 pair of matched horse mules coming 3 years old; the big boned, fat, rugged kind. Mostly all big mules. We have owned all these mules more than a year.
1 pair of 2 year old mules, a corking good pair.
4 coming 2-yr. old mare mules 10 mules coming 3 years old, big, rugged kind. Have not been on feed but will be just the kind for the farm work this spring.
1 odd horse mule 7 years old.

TRAINS WILL BE MET—We will meet the east and west trains at Drake at around 11 o'clock, and will also meet the train from the south at Barrow at around 11 o'clock. Will also have a conveyance from Roodhouse leaving Roodhouse Hotel at noon, and we will see that you get back after the sale. Buyers from distance come to Roodhouse the day before, and stop at the Roodhouse Hotel at our expense.

The Usual Terms as to Time and Notes

This is our Fourth Annual Sale. The others were all good ones. We will try and make this the best—we have the goods.

A fine lunch will be served by the Patterson church ladies.

Story's Exchange, Loans and Insurance, Real Estate

Time was in England when men, with no land, had iron collars welded around their necks, and were slaves to their masters—the land owners.

Looks as though we are headed that way in the old U. S. A. Our land has doubled in value nine times in 90 years—an average of once in ten years. Who can say it will not double in the next ten years? You don't think so? Neither did you think so ten years ago, but it has. I know men who have hoarded their money 20 years waiting for land to get cheaper, and have seen values double twice, and still advancing. The reason is plain: 120 million people where there were once 5 millions, and no more land now than then. Fifty men want the same farm—only one can have it.

Every farmer should "salt down" a piece of land somewhere. Use your money and your credit—your neighbor has money to lend, and wants to lend as bad as you want to borrow. BUY LAND WHILE YOU CAN—IT WILL BE HERE WHEN GABRIEL BLOWS HIS HORN, and you can say that of no other investment.

(a) 340 acres, well improved, new home, \$125 per acre.

(b) A nice little farm of about 40 acres at the edge of town and well improved for \$25 per acre. Don't quit farming, buy it.

(c) Not much more than a stone's throw from the city we offer a high class farm, rich soil, good house, barn, etc., for the price of a good farm ten miles out. You can move to this within ten days, and it is a splendid buy. Let us prove it.

SUBURBAN PROPERTY

The best investment for a man of small means—a few acres where you can market every dime's worth.

(a) Four acres, ideal location, new house, barn etc.

(b) Ten acres, excellent soil, rich as cream, lots of fruit, good six rooms house, large barn, in fact a young farm complete, and offered worth the money. You should hurry in and see this one.

To be sure, March 1 or sooner on all these.

HOUSES

For two families who want to be near each other, we offer two homes on adjoining lots. Good medium sized houses at medium price.

We have a prime home in the best part of the west side, complete in every particular, sleeping porch and all—only \$6000.

See the new room bungalow near State street at \$5500. Slate roof, open grate, oak floor—You'll like it.

Room 303 Ayer Bank Building

Bell 321

From County Agent's Office

The Inventory Method for Income Tax Returns.

The Farm Management Department of the College of Agriculture, asked J. L. Pickering, Collector of Internal Revenue, Springfield, Ill., three questions:

1. Will the Department of Internal Revenue accept a farmer's income tax report if his net income is determined by using an accurate inventory of his business at the beginning and end of the fiscal year?

2. What will the Department of Internal Revenue accept as an accurate inventory of a farmer's business?

3. In changing from the receipts and disbursements method to the "inventory" method of reporting farm income tax schedules, what will the Department of Internal Revenue consider a fair way of effecting this change?

Mr. Pickering replies as follows:

1. It is the desire of the Commissioners that farmer's accounts be kept on an inventory basis and if accurate inventories are taken at the beginning and close of the year and his accounts kept so that accurate returns may be made from such inventories, it would be perfectly proper to make the return on that basis.

2. This question is not clear.

3. The changing from the receipt and disbursement method to the inventory method, the value of the farm products and stock which have been raised on the farm and inventoried January 1st, should be reported as taxable income on an amended return for the proceeding year.

Let us hear the conclusion of the whole matter. It is necessary that the inventory be taken regularly and used in connection with a record of receipts and expenses. That is, the inventory for the year must be taken at the beginning of the year and not made up at the end of the year from memory. In taking this inventory the items may be valued at farm prices or the market price less the cost of marketing.

The Constitutional Convention

Those who are following the progress of the Constitutional Convention, have noticed that a special committee of fifteen has been appointed on Agriculture. The County Agent recently had the opportunity of talking with Rollo Six, a delegate from the territory including the kingdom of Pike. The farm bureau over in Pike County invited all the candidates to appear before a meeting in that county and give their various views in regard to what should be done in that convention for farmers' interest. Rollo Six, of Pike County, and Will S. Gray of Adams County, came out of the ordeal with flying colors. The farm bureau endorsed these men and they were elected. Mr. Six believes that our system of taxation should certainly be

Packers Propaganda

It is very interesting to note

that while we are running quarter page ads in our County papers, showing the necessity of organization and putting the farmers view point before the public, the packers are also running an ad of no mean proportion telling how small their profits really are.

As yet, we have never had a statement from any of the big packers telling who fixes the prices each day at our big markets, nor why when one buyer comes around and makes a bid for a shipper's livestock no other buyer shows up nor can be induced to place a bid on the shipment.

It is an actual fact that the chairman of our campaign committee has sold cattle on the Chicago market to one buyer and has seen them divided up amongst the representatives of several packers.

We should be very glad to have an explanation as to why the price of cattle on the Chicago market fluctuates from 50¢ to \$2.00 per hundred weight.

The farmer is always hoping to get a good market. Occasionally he does, but frequently he does not. The packers bid high when there is not much livestock in sight and some shippers get the benefit of the high price.

Then, when a whole lot of other shippers are duped by the good price on that day, the packers know how many cars are expected and can lay their plans accordingly.

When those big runs come the price is cut more than enough to offset the good price paid when the runs were low.

As the packer plays the game there is no chance of his losing. We will give them credit for establishing a great market, building great plants, feeding the people remarkably well, and at the same time conducting the greatest gambling game with absolute certainty of their winning, that we have any record of.

If any local business man did as they do, he would certainly lose his friends and his customers.

Feeding the Hen.

We have conducted county wide culling demonstration the past season and have gotten rid of many hens that were not of the type to be profitable producers.

If the plan works well the poultry raiser ought to be left with good producing hens.

However, hens will not lay well without they are fed properly.

We have recently been feeding seven Rhode Island Red hens equal parts of corn and oats twice per day as scratch feed,

and have in addition kept before the hens at all times a dry mash made of substitute flours and beef scrap, with oyster shell and grit.

This food has also been supplemented with table scraps.

The flock began to lay December 31st.

At present they are laying two and three eggs per day.

Two of these hens would not be considered of high producing type if judged by the Hogan system and yet at the present time they do seem to be responding to the feed given.

The Missouri experiment station made a collection of culs

and also good hens collected by the County Agents and are trying them out.

Up to the present time the hens of desirable type are producing by far the best.

A few years ago our dairy experts

claimed that one-third of the cows

reformed. Up to the present time the farmer has borne more than his share of the taxes. His property has been of the visible sort and he could not escape paying taxes. There will not be any one thing done in the constitutional convention that would attract more attention than the efforts to devise a system of taxation that will make our present system of tax dodging impossible. At the present time a farmer may be in debt for his farm and pay taxes as tho he owned the entire farm free of debt. The man who loans the money is able in many cases to manipulate things so he does not pay on the mortgage, but where he does there are just two parties paying for the same amount. In either case the system is unjust.

The Limestone and Rock Phosphate Situation.

When the coal strike came every quarry that prepared ground limestone for agricultural purposes had to shut down. In this County, we had to countermand several orders much to the disappointment to the men who gave them. At present there is every indication that when the season opens up March 1st, the companies will ask a higher price for the crushed product. In the case of rock phosphate the price is double what it was a few years ago and it is hard to get even at the higher price. The big fertilizer companies are bidding high for all products so that they can manufacture it into acid phosphate. It will be a healthy thing for those who are trying to fix the blame for the high cost of living on the farmer to investigate what he has to pay for what he buys. It will be a god thing to go thru the entire list of farm implements, building material, commercial feeds, clothing, food, labor and taxes. The Illinois Agricultural Association fed a family in Chicago for a week and found that only forty two per cent of what that family ate reached the producer. When you consider the high price of all the products necessary to produce crops you will see that the farmers' path is not strewn with roses.

Responsibility for County Agents' Notes.

Anything published under this heading in either one of the Jacksonville daily papers or in any other County paper, is written by the County Agent, himself, and the local papers are not responsible in any degree for anything published under this heading. We wish the readers to understand that we try to give a cold blooded statement of facts and assume full responsibility for whatever is printed under this heading. All of our county papers publish articles of interest to men on the farm but we are not entitled to any credit for writing them with out they are under this heading.

Mary E. Pierson,

Church Services Today

Northminster Presbyterian church—Walter E. Spoons, minister. Preaching at 10:45 a. m., and 7:30 p. m. The subject for the morning service will be "Has Christianity Failed?" This is the third sermon in the series on this subject. The pastor will preach to the farmers at the evening service on the subject: "Every Man His Own Farm." Sunday school at 9:30 a. m. William Pieber, superintendent. Let the whole church attend the Sunday school. Christian Endeavor at 6:30 p. m. The topic will be missions. Miss Roseline Escorse will be the leader. The Wednesday evening luncheon will be served at 6:30 o'clock, and following the luncheon the class in stewardship will meet for thirty minutes, and following this will be prayer meeting. We had a great time last Wednesday evening. There were over 100 present at all the meetings. Team No. 3 will serve next Wednesday. Mr. and Mrs. Henry Day, captains.

State Street Presbyterian church—W. H. Marbach, pastor. T. M. Tomlinson, Sunday school superintendent and Mrs. Barr Brown, choir leader. If this is the church of your preference we bid you welcome to the work and worship of our services. Sunday school at 9:30. Morning worship at 10:45. Evening worship at 7:30. C. E. society at 6:45. Robert Bentley will be the leader. Prayer meeting on Wednesday evening at 7:30.

Mt. Emory Baptist church—E. A. Crockett, pastor—The revival which has been going on at Mt. Emory Baptist church since the 11th will close today with three services. Sunday school will be held at 9 a. m. instead of 2:30 p. m. the usual hour. At 11 a. m. the pastor will deliver the sermon. The evangelist will conduct the music and render several selections with the piano. At 2:30 p. m., the evangelist will deliver a special illustrated "nail sermon," everybody is asked to bring a nail, matters not what kind since it's a nail. At 7 p. m. the church will engage in a general praise service and at 7:30 the evangelist will deliver the final sermon of the series using as his subject: "The Last Night In Town." The public is invited.

First Baptist church—Corner First and Church streets. A. A. Todd, pastor. 7:30. Come and bring your friends.

of the Juniors Bringle Smith. The members, friends and public invited to all church services.

The Congregational Church of Jacksonville—W. Ernest Collins, minister. The church school meets at 9:30 with a graded curriculum and a fine teaching staff. At 10:45 morning worship, singing by a chorus, director of musical Mrs. Gregory; subject of sermonette "Blue Coats," morning sermon. "Pilgrims of the Morn." At 7:30 p. m. The Community Forum, the speaker will be Dr. Riley. This church is owned and controlled by those who live in Jacksonville; it is a democratic institution; it seeks to realize in this community the vision of Jesus Christ in his great ideal of the Kingdom of God upon Earth. To this task are invited all those who believe in the Fatherhood of God and the brotherhood of man.

Brooklyn M. E. church—G. W. Randle, pastor. Sunday school at 9:30 a. m. Public worship in German at 10:30 a. m. Services in English at 7:30 p. m. A cordial invitation is extended to all to attend these services.

Brooklyn M. E. church—G. W. Randle, pastor. Sunday school at 9:30 a. m. Public worship in German at 10:30 a. m. Services in English at 7:30 p. m. A cordial invitation is extended to all to attend these services.

Establishment of houses of detention, such as Ellis Island, Mr. Harris declared, would not effectively prevent the entry of "undesirables" unless the government stretches a cordon along the Mexican border through which such persons could not easily pass.

"It is true," continued the immigration official, "that we have at present fourteen stations along the Mexican border from the Gulf to the Pacific coast, established to guard the border. But when you take into consideration that hundreds of miles separate several of these stations, it is not to be expected that the situation can be coped with successfully, or that we can prevent the entry into our country of undesirable aliens or stop the smuggling of whiskey and livestock which is daily being accomplished with little danger of detection."

Smuggling across the border is spreading "to an alarming degree," Mr. Harris added.

ANNOUNCEMENT
I hereby announce myself a candidate for road commissioner in District No. 2 at the election to be held April 6, 1920.
J. E. KENNEDY.

Federal Income Tax Table Shows What You Must Pay

KEY TO FEDERAL INCOME TAX

Showing combined total of normal and surtax payable by individuals, citizens residents of the United States, only on net income received during calendar year 1919:

Class A—Exemption \$1,000.

Applies to a single person not the head of a family, a divorced person without dependents, a married person living alone, or a married person living with husband and wife, when \$2,000 exemption is divided between them on their separate returns.

Class B—Exemption \$2,000.

Applies to a married person living with husband or wife and without other dependents where no separate return claiming all or a part of the \$2,000 exemption is filed by the other, also to a head of a family.

Class C—Exemption \$2,200.

Applies to a head of a family and to a married person living with husband or wife and having one dependent (other than husband or wife), if such dependent is under 18 years of age or is incapable of support because mentally or physically defective.

When you feel uncomfortable, when you feel indigestion and heartburn, when you feel acid, they know that most of these symptoms are from acidity. The relief comes quickly, no disappointment. Pape's Diapepsin tastes like candy and a box of this medicine will last a lifetime. Just eat a world-famous indigestion relief tablet of harmless and reliable Pape's Diapepsin and the stomach distress is gone.

Millions of people know the favorite foods without fear.—Adv.

KANSAS RESIDENT VISITING IN CHAPIN

Harry Long of Hiawatha Kansas Visited Mr. and Mrs. Baldwin—Chapin News Notes.

Chapin, Jan. 24.—Harry Long of Hiawatha, Kansas visited at the home of Mr. and Mrs. Baldwin Sunday.

Dean Antrobus left Tuesday night for Flint, Mich., to drive a car home for Mr. Zahn.

A number of Chapin people attended the prize fight and wrestling match in Beardstown on Monday night.

Raymond Heiser has accepted a position in Kewanee and has had his household goods shipped to that place.

Household Science Club.

The Household Science Club held the regular meeting on Wednesday afternoon at the home of Mrs. James Guinae with fourteen members and five guests present.

The meeting opened with the club song, "Illinois". The roll call was then answered to with a "noted spinster."

Secretary's report and business session.

In the absence of Mrs. J. Eiler, Mrs. W. W. Anderson read her paper on "The Portmananteau Plays" which was instructive as well as interesting.

The discussion on "Disposal of Waste" was led by Mrs. R. D. Omar.

A letter from Miss Helene McRaham was then read.

Music on the Victrola concluded the program.

During the social hour following the hostess served a delightful two-course luncheon.

The next meeting will be with Mrs. W. W. Anderson on Feb. 4, and will be a Valentine party. John Onken went to Peoria Thursday for a few days visit with his daughter, Mrs. O. Couitas.

Gustave Onken and Gertrude left Friday noon for Peoria for a few days visit with Mr. and Mrs. O. Couitas.

Miss Amy Onken entertained for Miss Margaret Eagan at a six o'clock dinner twelve ladies on Thursday. The evening was spent playing "Rook" and "500."

Charles Taylor has sent word to relatives that he would arrive Monday to attend the funeral of his brother Riley Taylor.

INSTITUTIONAL HEADS MEET HERE WEDNESDAY

Superintendents of the Various State Hospitals of Illinois Will Hold Conference at Jacksonville State Hospital — Other News Notes of Local Institutions.

ZAHN WILL PAY \$25 FOR SUITABLE NAME

Huge New Garage to Be Built—Wants a Name—Contest Open to Students—Winner Gets \$25.

Chapin, Jan. 24.—Harry Long of Hiawatha, Kansas visited at the home of Mr. and Mrs. Baldwin Sunday.

Howard Zahn is going to build another big garage on the "Billy" Sunday lot, and he wants a suitable name for it, a name that perhaps will be a little out of the ordinary yet will be remembered.

Mr. Zahn is going to let the school boys and girls of this territory name the new building and will pay \$25 cash for the name chosen.

Here is the way to go at it. Think up a name that appears to you to be suitable. There must be incorporated the name of my make of automobile and the complete name must include that of Zahn so as to show ownership and operation and will distinguish it from the present Zahn's garage on East Morgan street. For your information the new garage will be run on the same principle as is the present one.

Mail your choice of name, together with the letter giving your reason for thinking the name offered is particularly suitable, to Howard Zahn, proprietor Zahn's Garage, Jacksonville, Illinois, at any time between now and February 10, 1920.

As the letters are received they will be stamped with date and hour by the time clock at the garage, so that in case of a tie between two or more sending in the lucky name, the first one received will be awarded the prize.

On February 11, 1920, the letters received will be given to a committee composed of Messrs. Newman, Hopkins, Waltman, Whalen and Peck, to choose there from the name that the new building shall bear.

This contest is open to all school children in this territory under twenty-one years of age.

Here's your chance for \$25 easy money, just for a little thought and the writing of a letter setting forth your reasons for the name chosen.

No person connected in any way with the garage, its owners or employees is eligible in this contest.

The name and letter of the successful boy or girl will be published in the Journal as soon after February 11, as possible.

WE JUST RECEIVED A BEAUTIFUL ASSORTMENT OF AFTERNOON DRESSES — NEW SPRING MODELS.

AT HERMAN'S**FUNERAL NOTICE**

The funeral of Isaac G. Lazebny will be held from the residence, 813 West North street, at 7 o'clock Monday afternoon. Burial will be in Liberty cemetery, west of the city. Friends are requested to omit flowers.

FIRE ALARM SATURDAY

The fire department was called to the residence of M. O. Matthews, 121 Westminster street at 7:30 o'clock Saturday morning. A burning chimney caused the alarm and no damage was done.

Miss Lucille Harber is spending the week-end with her cousin Miss Marie Clendenin in Springfield.

The guest list is also expected to include a number of state officials and experts among whom will be: Dr. Adler, state expert criminologist; Charles H. Thorne of Springfield, director of the department of Public Welfare; A. L. Bowen of Springfield, superintendent of all the state institutions; Dr. Singer of Chicago, an atheist; and others.

Hospital Notes.

For some weeks past workmen from the hospital have been busy clearing forty acres of timber land owned by George Wheeler in the vicinity of Sinclair. Only about five or six acres of the land has been cleared to date and until the weather moderates to some extent little work can be done there. The men who have been doing the work have proven themselves good woodsmen. Recently a few trees have been removed on the grounds of the state hospital and these have been rapidly sawed up by the men showing their skill in this line. The institution, which is clearing the land on the halves for the wood, expects to get approximately 150,000 feet of lumber from the work in addition to the post, ties, and cordwood derived therefrom.

State Landscape Gardner and Designer Tipton is at the hospital planning some new work for spring development.

S. D. McKinney of Chicago, deportation officer, was a visitor at the hospital Thursday and Friday. It is Mr. McKinney's duty to deport and persons who may be at any of the state institutions who are not residents of the state and belonging in institutions of another state.

Miss Josephine Hayden, assistant social service worker at the hospital, is in Quincy on a business trip.

Mrs. Lucy Catlin, chief social service worker, is away on a business trip which will include Springfield, Decatur and Bloomington.

Miss Nellie Peebles has been called to Patterson by the serious illness of her mother.

Mrs. Etelia Rothwell of Part Place is enjoying a vacation.

George W. Gregory and H. Lockerby, both of Golconda, who have been working as attendants at the hospital, resigned their positions yesterday and returned home.

Nu-Bone Corsets are practical and durable. Laundry easily and satisfactorily. They are boned with different size wires to suit the different figures, the slender, the medium and the stout. Nu-Bone Corsets are made-to-order—also kept in stock. Call, write or phone without obligation on your part for information or appointment.

ILLINOIS SECONDS WON AT MT. STERLING

Defeated Crescents of that City by Score of 25 to 21—Frazer and Antrobus Star.

The second team of the Illinois college played a fast game with the Mt. Sterling Crescents Friday evening at Mt. Sterling. The Mt. Sterling team is composed of former college players and some good playing was witnessed. At the end of the first half the score was 8 to 8 and at the end of the second half was 21 to 21, as a result the game was continued five minutes longer resulting in a score of 25 to 21 in favor of Illinois. In the five minute overtime Match with the aid of his fellowmen made two baskets, which won them the game. The line up was as follows:

Mt. Sterling:	F. G. F. T. Tl.
Manny, c	5 0 10
Hosteler, g	1 1 3
McDanould, g	0 0 0
Sanderson, f	2 0 4
Harris, f	0 0 0
Campbell, f	2 0 4
Briggs, f	0 0 0
Illinois:	F. G. F. T. Tl.
Frazer, f	5 0 10
Antrobus, f	3 1 7
Locke, c	1 0 2
